about the seminar

The Beckett International Foundation is pleased to announce that the next Beckett Research Seminar will take place on Saturday, 28 June 2003. The event will be held in the Meeting Room of Park House (the Senior Common Room) on the Whiteknights campus of the University of Reading.

As in previous years, our speakers represent a mixture of both local and international research students as well as established scholars, reflecting the current research into Beckett's writing. It is our hope that the quality of the papers will, as in the past, attract a wide and varied audience.

Dr Julian A. Garforth & Mark Nixon
