about the seminar

The Beckett International Foundation is pleased to announce that the next Beckett Research Seminar will take place on Saturday, 19 June 2004.

As in previous years, our speakers represent a mixture of both local and international research students as well as established scholars, reflecting the current research into Beckett's writing. It is our hope that the quality of the papers will, as in the past, attract a wide and varied audience.

Please refer to the enclosed materials for further information on the Seminar and ensure that you return the lunch form to us no later than **16 June**.
